Meeting Date: February 01, 2012**

1. REVIEW & APPROVAL OF MINUTES: Jonathan Shaw suggested amending the January minutes to reflect the fact that a reporter from the Sandwich Broad sider named Paul Gately attended the meeting. Bill Daley moved that the commission approve the minutes and amended and Don Bayley seconded. The motion passed unanimously.
2. CORRESPONSENCE, STATEMENTS, ANNOUNCEMENTS, FOLLOW UP: The commission discussed a letter from Robert and Ursula Leahy of 9 Water Street regarding First Church of Christ's proposed plans to expand their parking lot beyond their property line. The proposed parking lot would encroach upon a portion of the historic "Parson's Walk" that stretches from School Street to the church. Jonathan Shaw moved that the commission send a letter to the selectman, Historic District Committee, Conservation Commission and the Leahys informing them about the Parson's Walk as a historic feature of the town, that it appears on current property maps, it has a historic asset file in the town archives, and the commission is interested in preserving it for the future. Carolyn seconded the motion. The motion passed unanimously. Terry will draft the letter and send it to Jonathan for comments.

Ellen Carlson announced that she presented at the Board of Selectmen meeting on January 19 regarding hosting a public forum about the Sand Hill School. The Board of Selectmen made a motion during the course of the meeting to place a preservation restriction on the building regarding the front façade only, and stated that the Sandwich Historical Commission was in favor of this proposal. In fact, the commission is interested in preserving at least three sides of the building. Terry will talk to the Board of Selectman to clarify.
